

CCC Early Learning Center

would like to welcome all the new families to our facility and we are proud to start another semester with our new and existing families. We would like to share with you a little insight on what is going on in our classrooms.

Young Toddlers 1 - Tan, Aili, Lin

Focus: Water

Children will have the opportunity to experiment with water, how it flows, importance of water, and use tools to test out scientific inquiry skills. Providing water will allow children to demonstrate fine-motor strength and coordination.

Young 3's - Yang Yang, Young

Focus: Friends & Family

Children will establish and sustain positive relationships with friends and learn about life skills. Children will have the opportunity to make friends, share facts about their family and observe the difference and learn more about their culture.

Young Toddlers 2 - Belle Chou, Belle Z, Suzy

Focus: Five Senses

Five senses introduces toddlers to methods of exploring the world around them and expanding their view of how things work. Children will explore with various solids and liquids and explore through their senses.

3's-4's- So, Esther, Ghida

Focus: Back to School

Children will focus on maintaining classroom rules, getting to know each other, and focus on self and families. Children will have the opportunity to create and set own classroom rules and build understanding of sharing. We will also focus on getting to know each other individually and our friend's family

Older Toddlers - Shan, Hong, Tang

Focus: My Body

Five senses introduces toddlers to methods of exploring the world around them and expanding their view of how things work. Children will explore with various solids and liquids and explore through their senses.

Pre-K - Ivy, Nikki

Focus: All about Me

All about me will focus on a child's social and emotional skill allowing them to emphasis on language, communicating well with others, building a positive relationship and balancing needs and rights of self and others.

Mixed Age - Cookie, Queena

Focus: Transportation

Children will discuss the meaning of transportation and understanding the concept of moving from one place to another. Literacy, math, large and fine motor skill activities will be implemented to demonstrate knowledge of sounds, counting, and traveling skills.

Upcoming Events:

9/2- Parent Advisory Board Meeting

9/7- Labor Day (Center Closed)

9/25- Trike-A-Thon
